

On Saturday, February 23, 2019, our 8th Annual Gala will be held at Seven Feathers Casino Resort. Each year we have a dance performance; making the gala an evening to remember. This event is the perfect evening out for couples or friends.

Our attendance and support has steadily grown over the last eight years. Growing from the inaugural year with 10 couples performing Salsa for 150 guests to this last year having 39 dancers compete for over 800 guests at two events. None of this would be possible without our in-kind donors, volunteers and sponsors.

Our board of directors, along with our fundraising committee, have set a goal to raise \$70,000 for our 2019 Gala. We will reach that goal through the support of dancers, ticket sales, marketing and sponsorship.

We are inviting you to be a sponsor this year. With your support, we can reach our goal, so we can continue our mission of creating a community free from family violence, sexual assault, and stalking through empowerment, support and education.

For more information contact Melanie Prummer, BPA's Executive Director, at (541) 957-0288 or melanie@peaceathome.com.

Thank you for considering being an Event Sponsor for our 2019 Gala.
